

C21 Investments Announces Full Repayment of \$30 Million Senior Secured Note Debt Retirement Eliminates \$6 Million in Annual Principal Repayment Obligation

VANCOUVER, June 2, 2023 – C21 Investments Inc. (CSE: **CXXI** and OTCQX: **CXXIF**) (“**C21**” or the “**Company**”), a vertically integrated cannabis company, today announced that it has completed the full repayment of its \$30 million senior secured note (the “**Promissory Note**”) owing to Sonny Newman, the Company’s President and Chief Executive Officer (the “**Debt Retirement**”).

The Promissory Note was originally issued in January 2019 in connection with the Company’s acquisition of 100% of the membership interests of both Silver State Relief LLC and Silver State Cultivation LLC (collectively “**Silver State**”), both Nevada limited liability companies, from Sonny Newman, the sole owner of Silver State. The Promissory Note carried an annual interest rate of 10% (subsequently reduced to 9.5%) and was secured against the Silver State companies and their assets.

In connection with the Debt Retirement, the security against Silver State has been fully discharged. The Debt Retirement eliminates the Company’s annual principal repayment obligation of \$6.0 million plus interest.

Chairman of the Board of Directors, Bruce Macdonald commented: “With our final \$0.5 million monthly principal payment on June 1st, we have completed full repayment of our \$30 million senior secured note to our CEO, Sonny Newman. Over the past four years, our ability to generate consistent, meaningful free cash flow has afforded us the opportunity to repay the debt without the need for a dilutive or high-cost capital raise. The Company is now better-positioned to extend our retail footprint to align with our recent cultivation expansion. The Board would like to thank Sonny for his strong belief and commitment to the Company and we look forward to working closely together to build the next phase of C21.”
